4. BOND PROCEEDS

4.1 Review of the Management of Bond Proceeds

Information

1. The administrative staff, the District's bond advisor, the District's bond attorney and other entities needed to sell bonds worked together on the sale of the bonds. Our bonds sold on May 4, 2017. We were able to secure the property taxpayers in our district an interest rate of 4.02%. This rate is in the range of what is considered by experts in the field to be an historic low.
2. The total bond Delivery Date Expenses were \$178,572.87. The Cost of Issuance expenses were \$131,291. These expenses were deducted from the bond proceeds at the time of the bond sale. The Other Fees for the Bond Sale were \$47,281.87. These fees are paid as interest is collected from the payment of the bonds and are not paid from the bond proceeds.
3. The proceeds from the sale of our local bonds, 2.7 million dollars, was deposited into the District's Fund 21.
4. During 2017-18 the District has had bond expenses of \$216,677.31 which were charged to the bond fund.
5. The Total Bond Funds Expended to date is \$395,250.18.
