Instructions

The LCAP Federal Addendum is meant to supplement the LCAP to ensure that eligible LEAs have the opportunity to meet the Local Educational Agency (LEA) Plan provisions of the ESSA.

The LCAP Federal Addendum Template must be completed and submitted to the California Department of Education (CDE) to apply for ESSA funding. LEAs are encouraged to review the LCAP Federal Addendum annually with their LCAP, as ESSA funding should be considered in yearly strategic planning.

The LEA must address the Strategy and Alignment prompts provided on the following page.

Each provision for each program must be addressed, unless the provision is not applicable to the LEA.

In addressing these provisions, LEAs must provide a narrative that addresses the provision **within the LCAP Federal Addendum Template.**

Under State Priority Alignment, state priority numbers are provided to demonstrate where an ESSA provision aligns with state priorities. This is meant to assist LEAs in determining where ESSA provisions may already be addressed in the LEA's LCAP, as it demonstrates the LEA's efforts to support the state priorities.

The CDE emphasizes that **the LCAP Federal Addendum should not drive LCAP development.** ESSA funds are supplemental to state funds, just as the

LCAP Federal Addendum supplements your LCAP. LEAs are encouraged to integrate their ESSA funds into their LCAP development as much as possible to promote strategic planning of all resources; however, this is not a requirement. In reviewing the LCAP Federal Addendum, staff will evaluate the LEA's responses to the ESSA plan provisions. There is no standard length for the responses. LEAs will be asked to clarify insufficient responses during the review process.

California's ESSA State Plan significantly shifts the state's approach to the utilization of federal resources in support of underserved student groups. This LCAP Federal Addendum provides LEAs with the opportunity to document their approach to maximizing the impact of federal investments in support of underserved students.

The implementation of ESSA in California presents an opportunity for LEAs to innovate with their federally-funded programs and align them with the priority goals they are realizing under the state's Local Control Funding Formula (LCFF).

LCFF provides LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The LCAP planning process supports continuous cycles of action, reflection, and improvement.

Please respond to the prompts below, and in the pages that follow, to describe the LEA's plan for making the best use of federal ESEA resources in alignment with other federal, state, and local programs as described in the LEA's LCAP.

Strategy

Explain the LEA's strategy for using federal funds to supplement and enhance local priorities or initiatives funded with state funds, as reflected in the LEA's LCAP. This shall include describing the rationale/evidence for the selected use(s) of federal funds within the context of the LEA's broader strategy reflected in the LCAP.

Jacoby Creek School District uses federal funds to enhance local priorities as outlined in the LEA's LCAP. The LEA LCAP goals are: 1) Increase Student Achievement and 2) JCS will be a safe, healthy, and inclusive environment for learning.

Through stakeholder input, the district priorities, actions and services were developed and approved by the board of trustees. These priorities, actions, and services were also chosen to meet the various Every Student Succeeds Act (ESSA) provisions. The district coordinates the use of federal funds to support the district LCAP goals, actions, and services.

Alignment

Describe the efforts that the LEA will take to align use of federal funds with activities funded by state and local funds and, as applicable, across different federal grant programs.

Federal funds are used in addition to state and local funds to support a reading specialist (Goal 1, Action 2) to provide Tier II reading intervention. Federal fund also support central office expenditure to pay to be a member of the Humboldt County Office of Education Co-Op to assist the district with the Consolidated Application.

ESSA Provisions Addressed Within the LCAP

Within the LCAP an LEA is required to describe its goals, and the specific actions to achieve those goals, for each of the LCFF state priorities. In an approvable LCAP it will be apparent from the descriptions of the goals, actions, and services how an LEA is acting to address the following ESSA provisions through the aligned LCFF state priorities and/or the state accountability system.

The district encourages and supports active parent/caregiver involvement in their children's education. Close relationships with parents / guardians are fostered, so that there is a team approach to supporting the learning of students. Parents are encouraged to volunteer in their child's classroom, and many do. Classrooms have an "open door" policy, and guests are invited to schedule a visit to observe. Administrators have the same policy, and are easily accessible to all stakeholders. Teachers use a notification system, email, telephone calls and face to face communication on an ongoing basis to keep families abreast of their children's academic, behavior, and social progress. The administration publishes a monthly newsletter to keep families informed and our school website is kept up to date.

Parent - teacher conferences are scheduled at the conclusion of the first and second trimester, and additional conferences are often scheduled to keep parents / guardians informed. Student Study Team (SST) meetings with parents are conducted throughout the school year to discuss specific needs of students. When necessary, interpreters are provided for conferences and meetings.

The Jacoby Creek Children's Education Foundation (JCCEF), the Parent Teacher Organization (PTO), and the School Site Council all work to keep our school and community working together to make Jacoby Creek School a great place for learning and growing.
